<p>We begin each day with a group meeting, designed to review the day's schedule, check in about any changes, and go over expectations. This transitional meeting helps the students of BASEC settle into the day's program and feel prepared for the upcoming activities.</p>	<p>Academics: BASEC Branch (7th/8th) fosters executive function skills and provides homework support to meet the demanding academic expectations of Chenery's upper school.</p> <p>5th/6th-grade students must check in at Homework Club before 3:30pm to set a plan for the day.</p> <p>BASEC @ Chenery's Homework Club is an after-school work community designed to meet the academic needs of students. Our students take responsibility for homework, organize and prioritize their academic schedules. Our homework system gives students agency to create their own routines, but supported with accountability.</p>	<p>Enrichment: Outdoor free play and/or gym games, Cafeteria student-choices such as legos, games, socializing with friends, Art & STEM.</p> <p>BASEC's philosophy of engaging student interest through inquiry and goal-setting drives our lesson planning in each curriculum. Our daily curriculum maintains a continuous open environment where peers and teachers can celebrate successes and challenges.</p> <p>Workshops are offered in the fall and spring for 8-10 weeks.</p>	Students regroup with a brief meeting and light snack	<p>Outdoor free play and/or gym games, student-choices such as legos, games, socializing with friends, Art & STEM projects continue.</p> <p>BASEC @ Chenery has "hang-out" designated spaces and unstructured time to allow students to build relationships with our teachers and amongst their peers. We use this time (as well as others) to connect with students through conversation, board games, large group games, projects, and more.</p>	Student-choices such as legos, games, socializing with friend, Art & STEM projects continue.
