*Artist Spotlight: Niki de Saint Phalle was a French artist known for her colorful and large-scale sculptures. We will make our own mini versions of her vibrant 'Nana' figures and glittering skull sculptures. "I realized that there was nothing more shocking than joy." - Niki de Saint Phalle

*Artist Spotlight: AJ Simpson is a non-binary artist from Scotland; their art focuses on joy and limitless imagination. They are the 2022 winner of 'The Great Pottery Throwdown' television competition. Using air-dry clay, we will create "Blobs" or cute and silly creature pots inspired by AJ's cartoon-like ceramics.
