HOMEWORK POLICIES

Policy IKB - HOMEWORK (approved 2/24/21)

The Maynard School Committee recognizes the value of continued learning outside of the classroom and the importance of developing good study habits. Therefore, we encourage the use of homework as a means to that end. However, homework should be an outgrowth of and preparation for class activities; a vehicle to develop or reinforce skills and knowledge.

School handbooks will contain a copy of this policy, grade-appropriate time allotments, and other relevant information.

Frequency of Homework:

Vacations - K-12: Homework will not be assigned with the expectation that it be worked on and/or completed during any school vacations. Long-term projects assigned before a vacation cannot have a due date earlier than the 2 days following vacation.

Long Weekends - K-12: Homework will not be assigned over long weekends, including those due to religious holidays and those marked by a district-wide closing. When there is no school on Monday, in-class assessments will not be scheduled earlier than the following Wednesday.

Mid-year Exams and Assessments - High School Only: No assessments or homework will be given during the mid-year week, except for homework directly related to exam or assessment preparation.

MCAS - Grades 3-10: Nights prior to MCAS testing are to be homework-free.

Religious Holidays - K-12: For practices related to religious holidays, please refer to policy IMD.

Policy IMD - SCHOOL CEREMONIES & OBSERVANCES (abridged) (adopted 3/5/20)

The observance of religious holidays is not the responsibility of the public schools.

While it is recognized that many activities are initiated with the approach of major holidays in order to capitalize on the readiness and interest that is generated at these times, it should be understood that such occasions frequently have religious underpinnings. Care should be taken to relate only to secular aspects of these holidays.

Music programs given at times close to religious holidays should not use religious aspects of these holidays as the underlying motive or theme. Although religious music is appropriate in the schools to the extent that it is sung or presented for musical rather than religious content, its use should not violate the secular nature of the school. Pageants, plays, recitals, and other literary or dramatic activities should not be used to convey religious messages. While the holidays represent a valid source of ideas for meaningful school art experiences, teachers should avoid assigning or encouraging artwork that promotes religious aspects of such holidays. If, however, individual students choose to use a religious personage, event, or symbol as the vehicle for artistic expression, they should be allowed to take this action.

Full policy can be found here

Policy IMD-1 TOLERANCE OF RELIGIOUS BELIEFS AND CUSTOMS:

The Maynard school system will encourage all students and staff members to appreciate and be tolerant of each other's religious views and will use every opportunity available to foster understanding and mutual respect among students and parents whether it involves race, culture, economic background, or religious beliefs. In that spirit of tolerance, students and staff members will be excused from participating in practices that are contrary to their religious beliefs.
